Dear Ms Cuff

**A BIG Thank you for supporting our Big Give Christmas Challenge and
Asbestos Awareness – Future Generations project**

On behalf of **Asbestos Awareness & Support Cymru (a-a-s-c)**, I am writing to thank you for the valuable donation of **£200** that you have made to our Big Give Christmas Challenge towards our Asbestos Awareness – Future Generations project.

We are so delighted to have received your support towards our project, which will mean so much to the children and young people we plan to work with along with current victims of asbestos related illnesses who we support at **a-a-s-c**.

In total, we raised a fantastic **£1,223.75** during the Big Give Christmas Challenge. Although we did not reach our target we were greatly heartened by the wonderful response that we received, particularly as this was our first ever Big Give challenge and one that we really hope to be involved with again next year.

We are currently working on our strategy to develop **a-a-s-c** to ensure that we can reach everybody who needs our help in Wales, including developing our helpline, support groups and volunteer programmes. We will make sure to keep you in touch with all our latest news.

Once again thank you so much for your donation, it is only with help from people like you that we can keep supporting those effected by asbestos and to assist them in putting the pieces of their life back together.

Your donation will really help to make a difference.

Please do not hesitate to contact me if you would like any further information about our charity or our Future Generations project which is being launched in April 2017 by emailing enquiries@a-a-s-c.org.uk

Wishing you a Very Happy Christmas and New Year.

Yours sincerely

A handwritten signature in black ink that reads "Lorna Johns." To the right of the signature is a small, faint, pixelated graphic of a Christmas tree.
